

# Best Interest Review

This disclosure statement is being provided with the following sale using qualified funds for the purchase of the suggested product. This form is to confirm the financial professional acted in the client's best interest when making these recommendations and complied with the 84-24 exception.

The 84-24 exemption requires the financial professional to act in the best interest of the customer. This includes discussing all fees, addressing any conflicts of interest, disclosing compensation in relation to the sale of the product, and using no misleading statements.

**Please indicate one response from the selection below that best describes your risk tolerance for this asset.**

- I am not comfortable with potential loss of my principal due to market downturns, however, I would be comfortable with the ability to achieve some growth.
- I am comfortable with potential loss of my principal in an exchange for the opportunity to achieve higher growth and the potential for greater returns.

**Of the statements below, please select the one that best describes your tolerance for risk and potential returns, specifically regarding this asset:**

- I wish to preserve and protect my principal from market downturns.
- I am seeking a stable, consistent rate of return over a specified duration.
- I am seeking a higher rate of return, regardless of the risk of losing my principal.

**Which of the following personal objectives are most important to you?  
(please check all that apply)**

- Accumulation of Asset

*If you selected "Accumulation of Asset", please mark one of the following responses indicated below:*

- I am seeking returns based on a fixed interest rate and returns are not linked to an index.
- I am seeking returns linked to the performance of one or more indexes.

Income – Access to lifetime income or guaranteed payment of income.

*If you selected "Income", please indicate the anticipated horizon for accessing income (i.e. immediately, 1 year from now):*

Death Benefit – Leave money to beneficiaries.
